Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Friday 11 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and, mainly morning, showers.

Today:
A bright day with occasional showers, these mainly through the morning. The afternoon then looks largely dry with more in the way of sunshine. A little cooler than Thursday with occasionally fresh westerly winds. Maximum temperature 20 deg C (68 deg F).

Tonight:
A mainly dry evening and night, perhaps the odd shower along the north coast, with some late sunny then clear spells. A much fresher night than of late. Minimum temperature 6 deg C (43 deg F).

Saturday:
Dry and bright with some good spells of sunshine around, although cloud is expected to increase later in the afternoon. Occasionally fresh westerly winds easing later. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Dry Sunday with some warm or very warm sunny spells. Cooler again Monday with sunny spells and showers, but Tuesday looks dry and bright but cloud increasing later.
